3.2.1: Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation center and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident

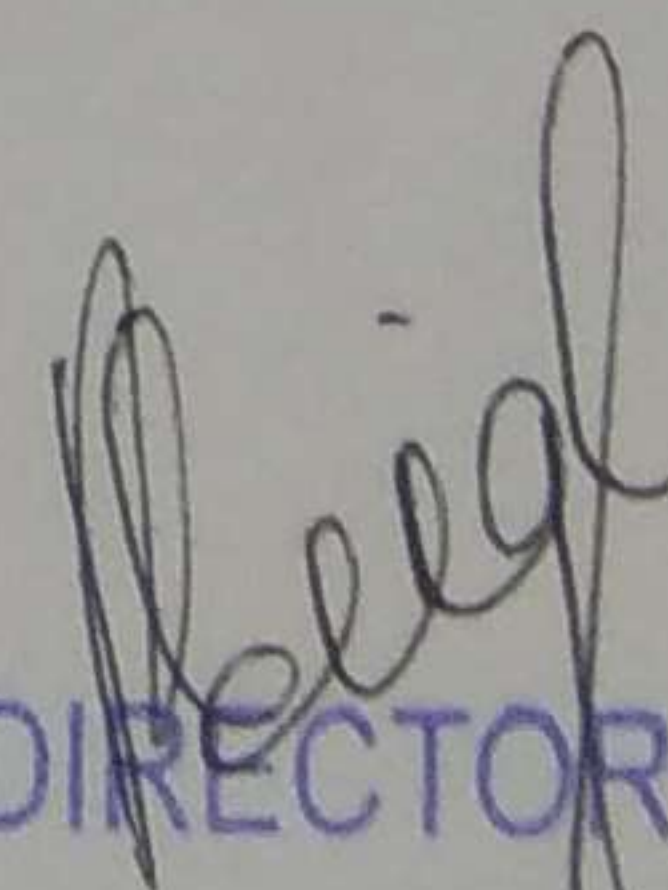

DYPIMED has a strong Research policy and RESEARCH CELL Cell which provides excellence and motivates our teachers and students in their Research & Development. Inventions in Institution are the main criterion for obtaining a patent for an original piece of work. The Institute is having a close **liaison with leading industries**. The liaison is strengthened with the help of Industry Institute Interaction Cell, Technology & Business Incubation Center. Institute provides **good infrastructure to carry out research activities** in terms of Management Business Incubation Center - Start-up & Innovation Cell, Project laboratory, Center of Excellence etc.

Institute provides a platform & encourages the students to participate in different research activities like **research paper presentation, poster presentation, project competition** to present their ideas at State, National & International level. Institute also organized an International conference to provide a platform for researchers to showcase their ideas and knowledge sharing between the participants. Institutes always support students and faculty by providing financial support for participation in Faculty Development Program, Seminar, Webinar, Competition on Research & Start-up Initiatives. Faculty and students have enthusiastically participated in research activities with the outcome as 03 patents, 2 books ,72 research papers published in **UGC care journals**.

Objectives:

The primary objective of the seminar was to help participants enhance their interview skills and increase their chances of securing desired job opportunities. By the end of the session, attendees were expected to have a better understanding of the following:

- Preparing for interviews effectively.
- Demonstrating confidence and professionalism during interviews.
- Answering common and challenging interview questions.
- Showcasing relevant skills and experiences.
- Handling behavioral and situational questions.
- Negotiating job offers.

Learning Outcomes:

- The seminar provided participants with several key takeaways, including:
- Understanding the importance of thorough interview preparation.
- Learning effective strategies for answering different types of interview questions.
- Gaining insights into showcasing skills and experiences relevant to the job.
- Developing confidence and professionalism in interview settings.
- Acquiring negotiation skills for job offers.
- Enhancing communication and body language for better interview performance.

Conclusion:

The seminar on "Interview Cracking Skills" was a resounding success, with attendees gaining valuable knowledge and skills to excel in interviews. The event served as a platform for participants to interact with industry experts and fellow attendees, fostering a collaborative learning environment. We hope to build on this success and continue organizing such seminars in the future.

Lego Serious Play Workshop under the Startup & Innovation Cell

Resource Person: Mr. Vijay Talreja & Mr. Laxman

Date: 28th November 2022

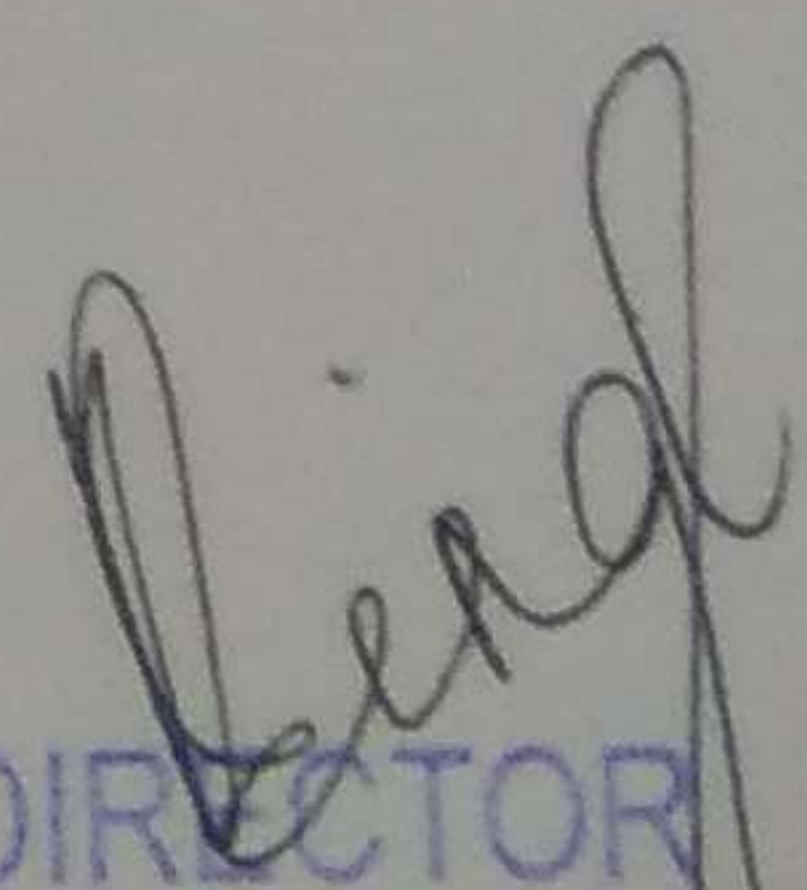

Mr. Vijay Talreja & Mr. Laxman from Play, Think & Transform were invited to conduct a workshop on Lego Serious Play. It is a methodology for exploring and dealing with the given situation or problem by building lego models & sharing their meaning. The trainers let the participants imagine and generate ideas by using their creativity and innovation.

Mr. Vijay & Mr. Laxman

The idea behind the entire exercise using Lego Serious play was engaging students in a playful & fun based brainstorming & experiential session, Think- generate curiosity, imagination and Transform paradigm was used by the trainers to bring about transformation in participants.

Mr. Vijay Talreja giving instructions to the participants. The workshop helped the students realize the nitty – gritty of strategic decision-making and problem resolution in business environments.

Topic: IPR Management

Session 1:

Date & Time: 5th March 2023, from 11 am to 1 pm

Speaker: Dr. Bharati Dole

As a part of activities under the IPR cell, Dr. Bharati Dole who is an IPR consultant was invited to deliver a series of sessions on IPR Management. Her first session included Introduction to IPR management & laws related to IPR. Students learn the various concepts associated with IPR.

Dr. Dole made the topic very simple for the students to understand.

Session 2:

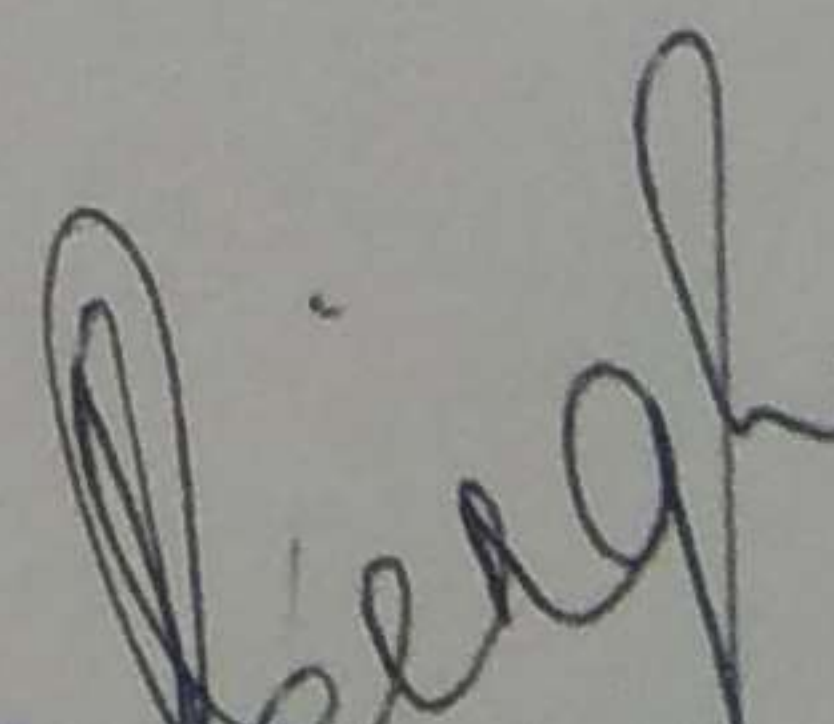

Date & Time: 8th March 2023, from 11 am to 1 pm

Speaker: Dr. Bharati Dole

Dr. Dole continued to discuss the Patents & CopyRights under the IPR Management in session 2 under the activities of IPR cell. The students were surprised to know that even the cooking recipes can be patented. They had many questions about what can be patented. When and how? Dr. Dole tried to answer all of them.

Students found the sessions as knowledge enhancing & helpful.

IPR-Legal Framework on 15th Oct. 2022

A session on “IPR-Legal Framework” was conducted by Mr. Anil Gupte, Founder Layer3 Media. The session was conducted to cover the topics under Intellectual Property Laws- Patents, copyrights, trademarks and designs. The students learned from the session the process of registering trademarks, protection and prosecution relating to the infringement of intellectual property rights.

He also made the students aware of the different categories under IPR i.e.- Trademarks, Copyrights, Design Rights and Patents.

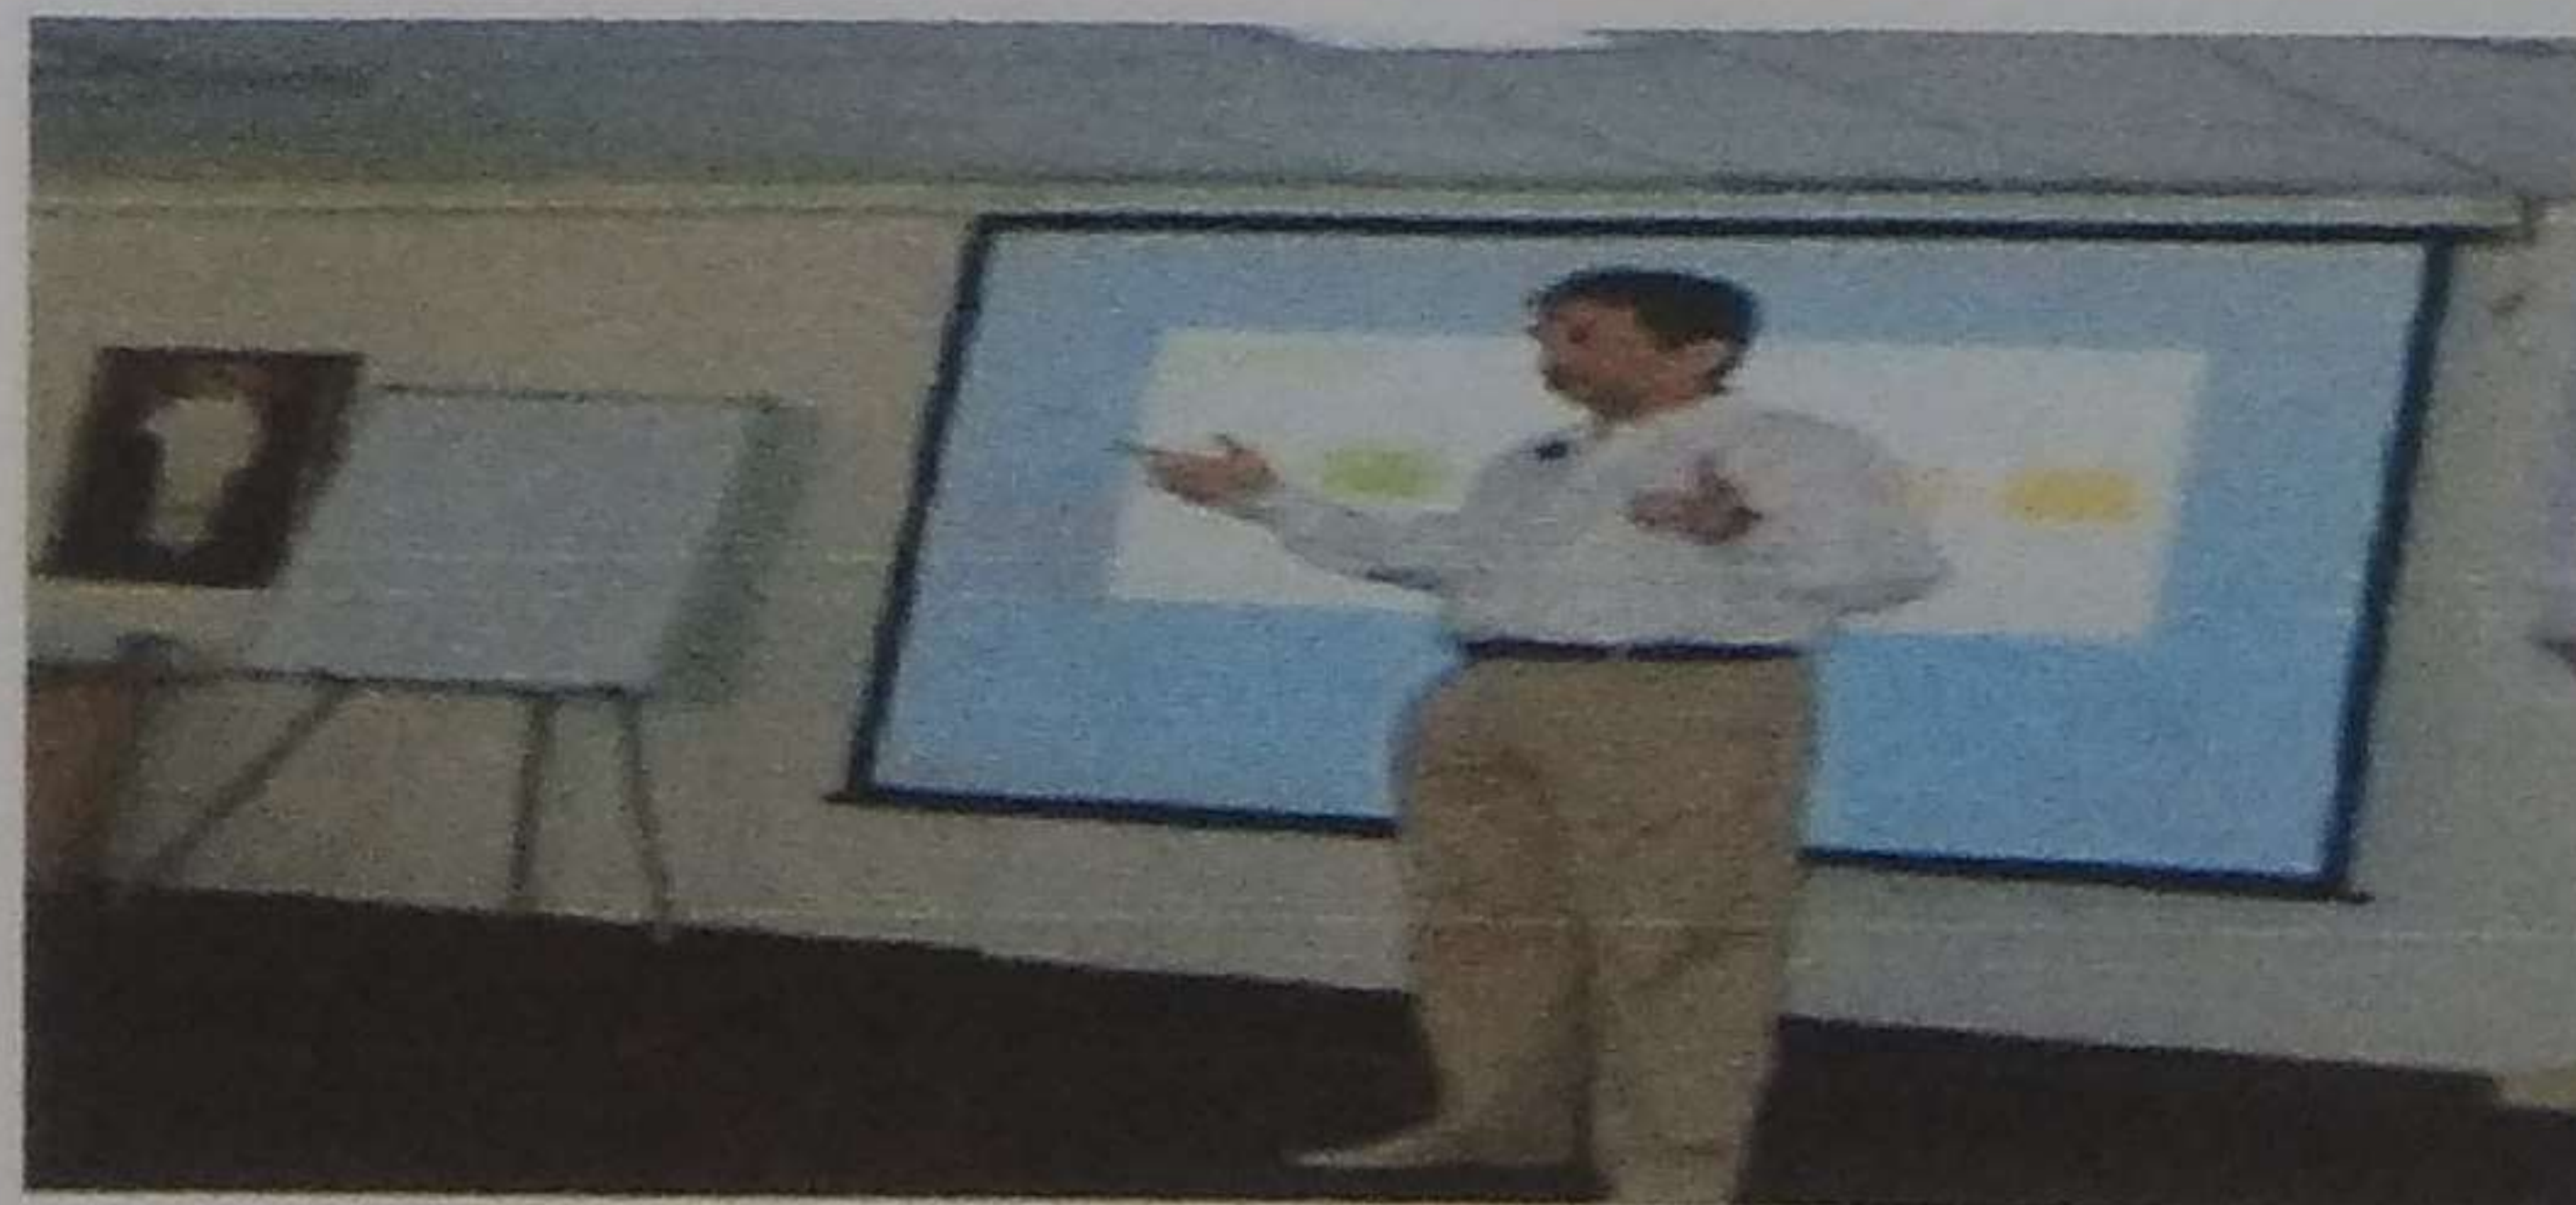

Innovation and IPR

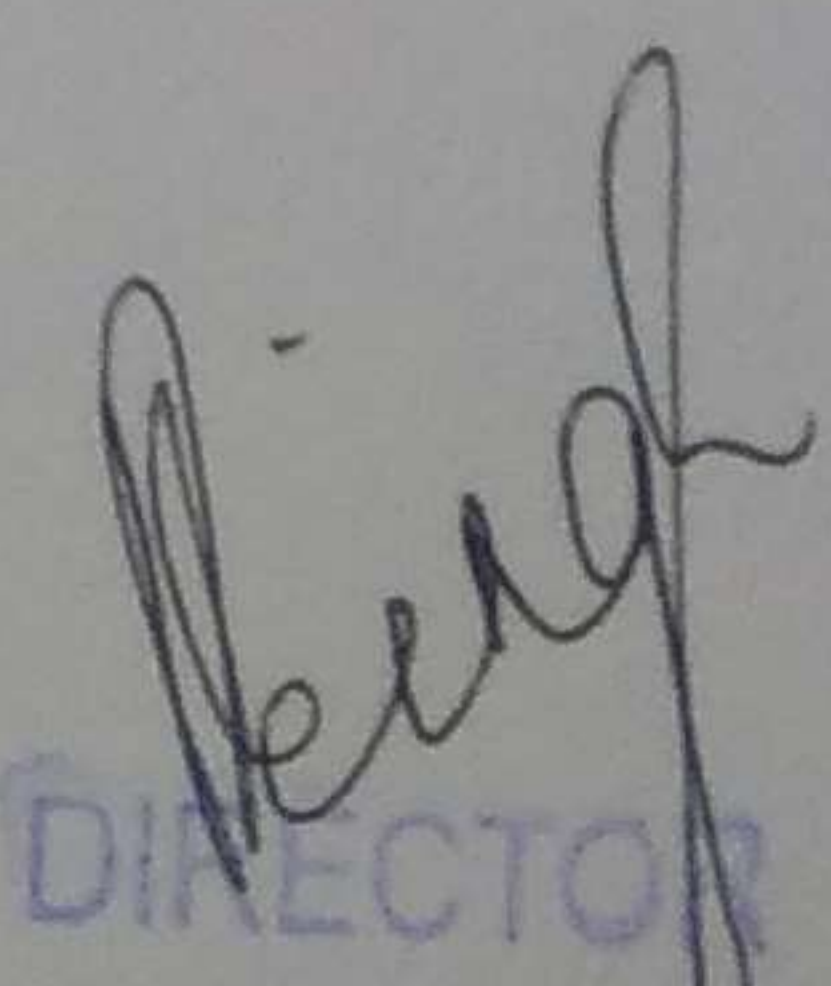

Resource Person: Mr. Anil Gupte (Founder Layer3 Media)

Date: 24th January 2023, From 9am to 11 am

Mr. Anil Gupte Founder Layer3 Media shared his views with the students about innovation. He started the discussion by asking the students the difference between “Innovation, Invention & Discovery”. Anil Gupte has 6 patents registered on his name, thus having thorough knowledge of IPR. He introduced to the students the process of registering Patents and how one can safeguard their own work by Patenting.

Students found the session very interesting and interactive.

shared insights into the historical significance of Sinhagad Fort and the surrounding areas.

Arrival at Sinhagad (8:00 AM): The group reached the base of Sinhagad Fort and commenced the trek to the top. The trek involved moderate to steep slopes, providing students with an opportunity for physical activity and adventure.

Historical Insights: As the group reached the summit, students were given a guided tour of the fort's history and architecture. The faculty members highlighted the fort's significance in Maratha history, its role in various battles, and its architectural features.

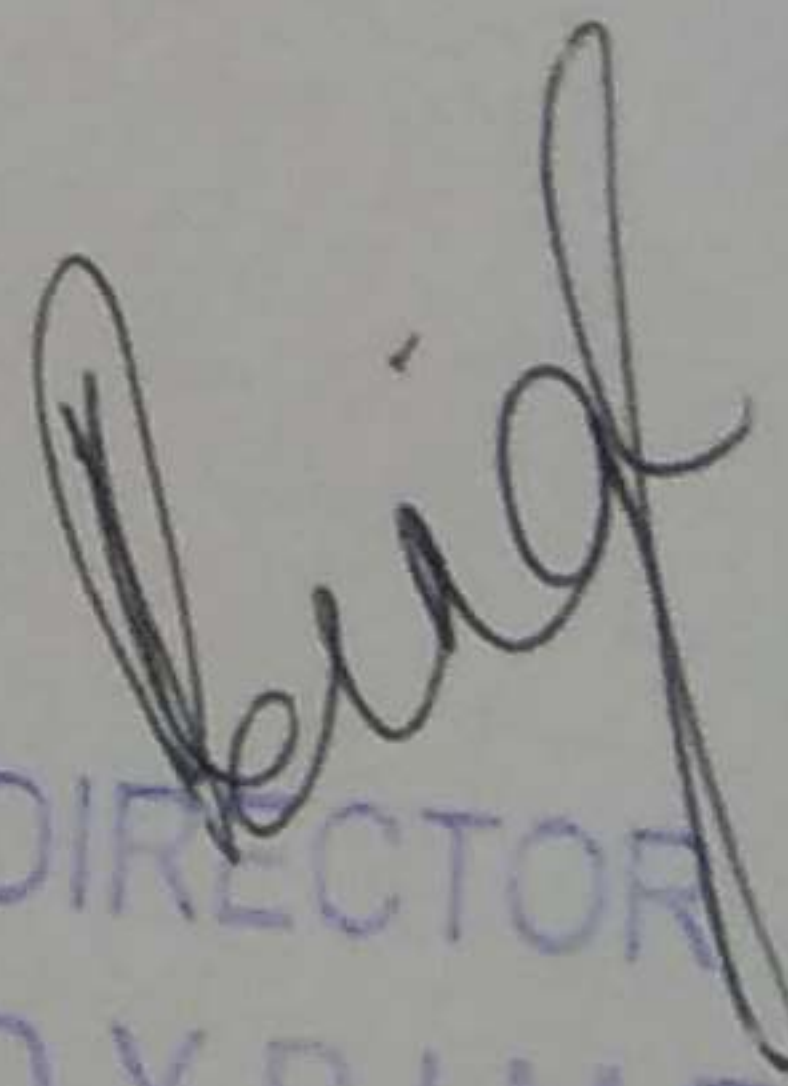

Scenic Views: Students enjoyed panoramic views of the Sahyadri Mountains and the lush green landscape, appreciating the natural beauty of the region.

Lunch (12:00 PM): A hearty lunch was arranged at a local restaurant near the fort, allowing students to taste traditional Maharashtrian cuisine.

Return Journey (2:00 PM): The group descended from the fort and commenced the return journey to the institute.

Reflection and Discussion: During the journey back, students engaged in discussions about their experiences and the historical, cultural, and environmental aspects of the trip.
