**Event Highlights:**

**1. Collection Drive:**

The donation drive involved collecting essential items and resources from the students, faculty, and staff of DYP IMED Institute. Students were encouraged to donate items such as clothes, blankets, books, stationery, non-perishable food items, hygiene products, and other necessary commodities. Collection points were set up at convenient locations within the institute premises to facilitate donations.

Event coordinator: - Prof. Ratikanta ray

Chief Guest: Dr. Sanjay Dharmadhikari {Campus Director}

Going green is the buzzword worldwide, fashionable too. But when it comes to translating idealism into action in real situation, most of us are clueless. Dr. Sanjay Dharmadhikari, Director Dr. D Y PIMED, Pune, realized the need to contribute for the environment and to bring her thought in practice, she took the initiative "Haryali" and this great social campaign was launched in 2019 in association with students, staff and local community to create awareness towards tree plantation.

This is a small effort and continuous process as a part of corporate social responsibility from Dr. D Y PATIL INSTITUTE OF MANAGEMENT & ENTREPRENEUR DEVELOPMENT.

**TRAFFIC AWARENESS – HUMAN CHAIN EVENT TO MARK TRAFFIC AWARENESS DAY**

Date: - 12/08/2018

Event coordinator: - Prof. Ratikanta ray

Chief Guest: Dr. Sanjay Dharmadhikari {Campus Director}

With the aim to inculcate basic traffic etiquette in residents, the traffic control branch of Pune police organized a Traffic Awareness Day on October 6, 2022. As a part of the campaign, traffic police aimed to form a 100- kilometer-long human chain on the city roads as a symbolic gesture.

The day is mainly aimed at spreading awareness about road safety norms and basic rules like halting before the Zebra Crossing at traffic signals, following the traffic signals, avoiding unnecessary honking, use of helmets and seat belts and giving priority to ambulances on the streets.

Along with a 100-kilometre-long human chain, 10 lakh stickers, 50,000 flags and 1,000 banners were distributed by the students in various parts of the city. Students of our Institute actively participated in the event and explained basic rules to commuters regarding use of helmets and seat belts, halting before the Zebra Crossing at traffic signals, avoiding unnecessary honking etc. Special arrangements were made for the students to reach their assigned spots by the STES Management who provided School buses.

**Visit report to 'Matoshree' (OLD AGE HOME)**

Date: - 11/07/2018

Event coordinator: - Prof. Ratikanta ray

Place: 'Matoshree' (OLD AGE HOME)

Chief Guest: Dr. Sanjay Dharmadhikari {Campus Director}

In the present days isolating the old & deprived, has been a major social problem faced by the Society. The students were informed about the living style and conditions of the old-age home. In order to have an insight into the bitter realities of life, a visit to "Matoshree" was organized which turned an eye opener for them.

The students shared the experiences of the inmates, consoled them and offered them fruits and sweets and most importantly gave vent to the feelings of the old which made many outbursts their emotions.

The students entertained them by singing songs. In order to provide some laughter in their lives, the students performed a small humorous skit on daily issues. This brought cheer on their wrinkled faces.

**Event Name :** E-Payments Awareness

**Date:** 12/12/2022

**Location :** Shivaji Chowk , Talegaon Dabhade

We as Dr. D Y PIMED team visited Our Weekly Vegetable Market to Help Small vendors to understand the benefits of accepting money through E payment portals and using Barcodes. In association with ED cell and its team members.

Here are some options that might be available for vegetable vendors and help them to install the barcode scanners as it's even difficult for a lot of people to accept the online payment and deal with this anxiety.

The steps we taught them are as follows :-----

1. Make them aware that: Customers can make payments by scanning the vendor's QR code or entering their mobile number.
2. It's a convenient and quick way to transfer money.
3. Bank Transfer: Make them aware that Money gets transferred immediately and it's safe.
4. Bharat QR: Bharat QR is a standardized QR code system that allows vendors to accept payments through various payment apps. Vendors can display their Bharat QR code for customers to scan.
5. Aadhaar Enabled Payment System (AEPS): It's safe that It is linked with Adhar card.

It's important for vendors to inform their customers about the electronic payment options they accept. Additionally, they should ensure they have the necessary equipment, such as smartphones or card readers, and reliable internet connectivity to facilitate electronic payments.
