Policy for Green Campus

Taking into account the necessity of protecting the environment for a sustainable, pollution-free and healthy life on the planet Earth in the coming years. The college endeavors to follow this policy strictly by actually enacting to and also creating environmental consciousness among the students and thereby among the society in general by organizing various activities within and outside the campus.

The college works towards creating a green, pollution-free and healthy environment with a missionary zeal and dedication. The students are given strict instructions to maintain the campus clean and green and it is reflected in the college

Green Campus Policy

The Green Campus Policy of the college visualizes a Clean and Green Campus where environmental friendly practices and education combine to promote sustainable and ecofriendly practices in the campus and beyond the campus. It also offers the institution an opportunity to take the lead in redefining its environmental culture through inculcating environmental ethics among the students and staff.

Mission

To create environmental consciousness among the society and actively participate in the activities to protect the environment for a sustainable, pollution-free and healthy life ahead.

Objectives

- To create awareness in students and staff to minimize the use of environment-friendly products and services.
- To inculcate the importance of cleanliness for a healthy life among student and staff
- To educate students about environmental issues by organizing Events like Awareness Campaigns, Cleanliness Drives, Workshops, Presentations, Tree Plantation Drives, Conference, Competition on "SAY NO TO PLASTIC" etc.

The Institution is committed to managing its campus in accordance with its Clean and Green Campus Policy by establishing the following infrastructure and carrying out the following activities:

The Institution is committed to managing its campus in accordance with its Clean and Green Campus Policy by establishing the following infrastructure and carrying out the following activities:

- Landscaping with Trees and Plants
- Solar Plant in the College
- Use of LED Bulbs/Tubes
- Rainwater Harvesting
- Solid Waste Management
- Installation of Incinerator in the Girls' Wash-Room
- Celebrate the days to protect and Nurture Environment
- The Green, Environmental and Energy Audit. The Institute believes that everyone has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the

This policy will be communicated to all stakeholders, and compliance will be monitored and enforced to achieve our sustainability objectives.

Policy on Plastic Free Campus

Plastic-Free Campus: We banned single-use plastic in the campus since June 2018. We also provide information to students and faculties regarding hazards caused by plastic and motivate students and faculty to create awareness in society.

Whereas plastic waste has emerged as one of the biggest environmental concerns adversely impacting the soil, water, health and well-being of citizens at large, we are following the guidelines of UGC and Government of Maharashtra.

Policy Statement: The Institute is committed to reducing its plastic footprint and hereby establishes the following plastic-free campus policy:

1. Ban on Single-Use Plastics: a. All single-use plastic items such as Any bags, straws, cups, containers, lids, cutlery, stirrers, or plates that are made of plastic and intended only for one-time use will be banned on campus.

b. Alternative, environmentally friendly options will be promoted and made available, such as reusable cutlery, glass or stainless steel water bottles / plates and cloth bags.

2. Plastic-Free Events and Activities: a. Organizers of events and activities held on campus must ensure that no single-use plastics are used during events. This includes packaging, decorations, and promotional materials.

3. Waste Management and Recycling: a. Proper waste disposal and recycling facilities will be provided across the campus.

b. Recycling bins will be clearly marked and strategically placed for the disposal of recyclable materials, including plastics.

c. Educational initiatives will be undertaken to raise awareness among students and staff regarding proper waste segregation and recycling practices.

4. Promotion of Sustainable Practices: a. The Institute will actively promote and support sustainable practices, such as reducing overall waste generation, conserving water and energy, and encouraging the use of public transportation or carpooling.

5. Monitoring and Reporting: a. The Institute will establish a monitoring and reporting mechanism to assess the progress of the plastic-free campus policy and make necessary adjustments as needed.

6. Education and Awareness: a. The Institute will organize awareness campaigns, seminars, and workshops to educate students, staff, and the community about the negative impacts of plastic pollution and the benefits of a plastic-free lifestyle.

7. Compliance and Enforcement:

a. All members of the Institute community, including students, faculty, and staff, are expected to comply with this policy.

b. Violations of the plastic-free campus policy may result in disciplinary actions.

8. Review and Revision: a. This policy will be reviewed periodically to assess its effectiveness and relevance. Necessary revisions will be made to ensure continuous improvement in our sustainability efforts.

By implementing this plastic-free campus policy, Dr. D.Y. Patil Institute of Management and Entrepreneur Development aims to contribute to a cleaner, healthier, and more sustainable environment for current and future generations.

This policy will be communicated to all stakeholders, and compliance will be monitored and enforced to achieve our sustainability objectives.

ENVIRONMENT DEPARTMENT

15th floor, New Administrative Building, Madam Cama Road, Mantralaya,
Mumbai 400 032, dated the 30th June 2018.

NOTIFICATION

No. Plastic.2018/C.R.No. 24/TC-4. – WHEREAS, under the Maharashtra Non-Biodegradable Garbage (Control) Act, 2006, for regulating the manufacture, usage, sale, storage, transport of the products made from plastic and thermocol etc., the Government of Maharashtra published the Maharashtra Plastic and Thermocol Products(Manufacture, Usage, Sale, transport, handling and Storage), Notification, 2018 on 23rd March 2018, which was amended as per Notification, dated the 11th April, 2018;

AND WHEREAS, as per para 8 of the said notification, for implementation of these regulations and help in resolving any difficulty faced by implementing authorities during implementation and if required also carry-out any amendment in these regulations, the Government Resolution, dated the 22nd March 2018 constituted the Empowered Committee;

AND WHEREAS, the Empowered Committee in its meeting of the held on 30th June, 2018, resolved to make amendment in the Maharashtra Plastic and Thermocol Products(Manufacture, Usage, Sale, transport, handling and Storage), Notification, 2018 ;

NOW, THEREFORE, in exercise of the power confirmed by clause (1) and (2) of Section 4 of the Maharashtra Non-biodegradable Garbage (Control) Act, 2006, the Government of Maharashtra hereby makes the following amendment in the Maharashtra Plastic and Thermocol Products(Manufacture, Usage, Sale, transport, handling and Storage), Notification, 2018 :-

1. In Notification, dated the 23rd March 2018, in Para. 2 at Serial No. 14 and 15 the following definitions are inserted :—

(14) "Multi-layered Packaging" means any material used or to be used for packaging and having at least one layer of plastic as the main ingredient in combination with one or more layers of material such as paper, paperboard, polymeric materials, metalized layers or aluminium foil either in the form of laminate or co-extruded structure.

(15) "Paper-Based Carton Packaging using one layer of plastic" means a container for liquid and solid food and beverages (e.g. milk, juice, etc.), where the primary constituent material is paper-board and which may have one or more layer of plastic, foil necessary to allow safe and hygienic consumption.

2. In the Notification, dated the 11th April, 2018 after Clause (c) of Para. 1 is substituted as follow and additional clauses (d), (e) & (f) are inserted :—

(c) PET / PETE Bottles of Drinking water, having liquid holding capacity of one litre or more, shall be printed on it, the Deposit and Refund Price of Re.1 or buyback price as decided by the Manufacturer. Drinking water PET / PETE Bottles, having liquid holding capacity of less than one litre but more than 200 ml. shall be printed on it, the Deposit and Refund Price of Rs. 2 or buyback price as decided by the Manufacturer.

(d) Use, sale, storage and manufacture of drinking water PET or PETE bottles of having liquid holding capacity less than 200 ml. is banned in the State.

(e) It is mandatory on the part of the bulk consumers of PET bottles such as hotels, marriage/ party halls, outdoor event locations, offices/institutions shall provide space for collection of plastic waste.

(f) It shall be the sole responsibility of the PET Bottle industries to ensure that these bottles are collected from retailers at depository and refund rate or buyback rate and are recycled.

3. In Notification dated 23rd March 2018, Clause 2A is inserted after Clause 2 of Para 3 as follows :—

(1) As per Plastic Waste Management Rules, 2016 issued *vide* 18th March 2016, by the Ministry of Environment, Forest and Climate Change, Government of India, manufacture and use of non-recyclable multi-layered plastic if any, should be phased out in two years' time. Since, the two years' time is over, the Manufacturers should stop use of non-recyclable multi-layered plastic immediately.

(2) The manufacturer/brand owner/producer of recyclable multi-layered and paper-based carton packaging material using one layer of plastic /Manufacturer's Association, shall diligently implement their Extended Producer's Responsibility (EPR) Plan which includes co-ordination / collaboration with existing Rag pickers / Scrap Traders, retailers for collection of plastic waste and its subsequent recycling and final disposal through their own established recycling plant or registered recyclers by establishing Producer's Responsible Organisations(PRO), which shall be responsible for 100% integral Plastic Waste Management right from collection to final disposal.

(3) Extended Producer's Responsibility (EPR) Plan of the manufacturer/brand owner/producer of multi-layered and paper-based carton packaging material using one layer of plastic shall be reviewed after three months from the date of issuance of this notification and on the basis of the outcome of review, further decision will be taken for regulation.

4. In Clause 3 of Para 3 regarding regulation not applicable to the items mentioned in the Notification dated the 23rd March, 2018, the following items are inserted :—

(1) In Sr. No. (i), Medical Equipment's and Medical Products are also added in addition to use of plastic for packaging of medicines.

(2) Sr. No. (ii) shall be read as it is.

(3) Sr. No. (iii) shall be read as it is.

(4) Sr. No. (iv) is substituted as follows :—

iv. Plastic material/ thermocol used for wrapping the material at the manufacturing stage or is an integral part of manufacturing shall comply the following conditions :—

a. The packaging material shall be more than 50 micron thickness ;

b. The packaging material shall be made up of minimum 20% recyclable plastic material (except for food packaging);

c. The packaging material (except for export purpose) shall be printed with manufacturer's details, type of plastic with code number and buy-back price ;

d. The manufacturers/ manufacturers' association using material for packaging shall work together and create a buy-back mechanism and diligently implement their Extended Producer's Responsibility (EPR) Plan which includes co-ordination/ collaboration with existing Rag pickers/ Scrap Traders, retailers for collection of plastic waste and its subsequent recycling and final disposal through their own established recycling plant or registered recyclers by establishing Producer's Responsible Organisations, which shall be responsible for 100% integral Plastic waste management from collection to final disposal.

(5) Sr. No. (v) shall be read as it is.

(6) At Sr. No. (vi) following clause is inserted :—

vi. Wholesalers and Retailers of groceries and grain products are allowed to sell groceries and grain products in sealed plastic packaging material subject to compliance of following conditions :—

a. The plastic packaging material shall be more than 50 micron thickness with a minimum weight of 2 grams. The packaging material shall be printed with manufacturer's details, type of plastic with code number and buy-back price ;

b. Manufacturing associations for retail packaging material and retailer's associations shall work to create a mechanism for the collection of the plastic through a buy-back mechanism and ensure the recycling and final disposal of the collected plastic materials ;

c. The conditions mentioned above in vi (a) and (b) shall be complied for use and sale of plastic packaging material within a period of three months from the date of issuance of this Notification ;

d. The Manufacturers shall comply with the conditions mentioned at Sr. No. vi (a) and vi (b) from the date of issuance of this Notification.

(7) At Sr. No. (vii), following clause is inserted :—

vii. Plastic Packaging material used for products intended for sale in the State of Maharashtra through E-Commerce shall be allowed only for three months, however, they shall develop Environmental-Friendly Alternative for packaging of materials within three months. They shall create a mechanism for the collection of the plastic packaging material used during three months and ensure the recycling and final disposal.

5. In para 4 of the Notification dated the 23rd March 2018, the officers are authorised and empowered for implementation and to take necessary legal action under the powers conferred u/s 12 of the provisions of the Maharashtra Plastic and Thermocol Products (Manufacture, Usage, Sale, Transport, Handling and Storage) Notification, 2018. In addition to this, after Sr.No.10 the following officers, are authorised.

(11) Any officers nominated by the Railway, Metro, Maharashtra Maritime Board and Airport Authorities.

By order and in the name of the Governor of Maharashtra,

ANIL DIGGIKAR,
Principal Secretary (Environment).

7.1.2 Alternate sources of energy and energy conservation measures

Alternate Sources

Solar Street Light: DYPIMED initiates power utilization through renewable sources. We have installed solar street light systems in the campus.

Solar Light

Solar Cell Lamp in the Sport Ground

Energy conservation measures

DYPIMED is using equipment, which saves energy. Also purchasing the instruments with 3 star to 5-star power consumption and saving the electricity, Save Energy signage near the Electricity board to create awareness of saving the electricity. Replaced old tube light with LED Tube light and LED Bulbs. These Initiatives taken to conserve energy.

High star rated energy devices

LED Monitor in Lab and Everywhere in the Institute

Management of the various types of degradable and non-degradable waste

Solid Waste Management: Solid waste is divided into dry waste and wet waste for collection of these wastes, separate dustbins are available in the campus. In every room we kept one dust bin for collection of dry waste. The housekeeping team collects the waste from all dustbins and hands it to the Grampanchayat van. Grampanchayat team properly do disposal of the waste.

Dustbin

Solid Waste collection

Liquid waste management: Liquid waste is generated from wash Basin, Hostels and canteen. Liquid wastes generated in the Institute is sent to sewage disposal plant and treated water is used to irrigate the garden and lawn.

Sewage Disposal System

Motors, other Equipments in Disposal System and Tank

Installation Agency Info.

Water Treatment System

Storage for Treated Water

E-Waste: E-waste or electronic waste is generated due to disposal of old or outdated electronics equipment. It consists of monitors, computer system, Laptop, keyboards, mouse, Batteries, power supplies, printers, etc. E-waste is a big problem because these materials contain some kind of harmful materials like lithium, lead, zinc etc. and improper disposal of these items is harmful for living beings.

We have appointed 2 lab assistants. They are taking care of computers if there is some kind of problem in the computer they are repairing instead of purchasing new. Printer cartridges are refilled from time to time.

MEMORANDUM OF UNDERSTANDING (MOU)

Between

Dr. D.Y. Patil Institute of Management and Entrepreneur Development, Varale, Talegaon,
Pune

and

Royal Enterprises Patil Nagar, Near Choudhary Dhaba, Dehu-Alandi Road, Chikhali,
Pune

This Memorandum of Understanding ("MOU") is entered into on this 02/01/2020, by and between:

Dr. D.Y. Patil Institute of Management and Entrepreneur Development, a premier academic institution located at 27/A/1/2C, Talegaon Varale Rd, near Railway Station, Towards Eco City, Varale, Talegaon Dabhade, Maharashtra 410507, represented by Dr. Rajesh Jha, Senior Faculty, hereinafter referred to as "DYPIMED."

AND

Royal Enterprises, a waste collection and management service provider, with its principal place of business at Gat No.1613 Patil Nagar, Near Choudhary Dhaba, Dehu-Alandi Road, Chikhali, represented by Mr. Mohmmad Ramzan Shah , Director, hereinafter referred to as "The Collector."

Collectively referred to as the "Parties."

WHEREAS, DYPIMED is committed to promoting environmental sustainability and responsible waste management practices.

WHEREAS, Royal Enterprises Collectors possesses the necessary expertise, resources, and infrastructure to collect and manage electronic waste (e-waste) in an environmentally responsible manner.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained herein, the Parties agree as follows:

PURPOSE:

The purpose of this MOU is to establish a cooperative relationship between DYPIMED and Royal Enterprises, Collectors to facilitate the proper collection and disposal of electronic waste.

RESPONSIBILITIES:**2.1 The Institute's Responsibilities:**

- a. Provide a designated e-waste collection point on its premises.
- b. Promote awareness and educate students, faculty, and staff about the importance of e-waste recycling.
- c. Organize e-waste collection drives and encourage the Institute's community to deposit e-waste items at the designated collection point.

2.2 Collectors' Responsibilities:

- a. Regularly collect e-waste items from the designated collection point at DYPIMED
- b. Ensure the safe and environmentally responsible disposal and recycling of e-waste materials in compliance with all applicable laws and regulations.
- c. Provide periodic reports to The Institute detailing the quantity and types of e-waste collected and disposed of.

TERM:

This MOU shall commence on 02/01/2020 and shall remain in effect for a period of five years, unless terminated earlier by mutual consent of the Parties.

CONFIDENTIALITY:

Both Parties agree to keep all information received during the collaboration confidential and not disclose it to third parties without prior written consent.

Students using lush green Garden for Healthy Living

Say No to Single Use Plastic

Institute has banned single use plastic in the campus. To tackle the single use plastic pollution problem, The institute has motivated and trained Students, Faculties and Staff to reuse Steel or plastic bottles. This encourages students to use reusable water bottles instead of purchasing single-use plastic bottle of water. This has helped the campus from single use plastic bottles. Having multiple water refill stations makes it easy for people on campus to rehydrate sustainably.

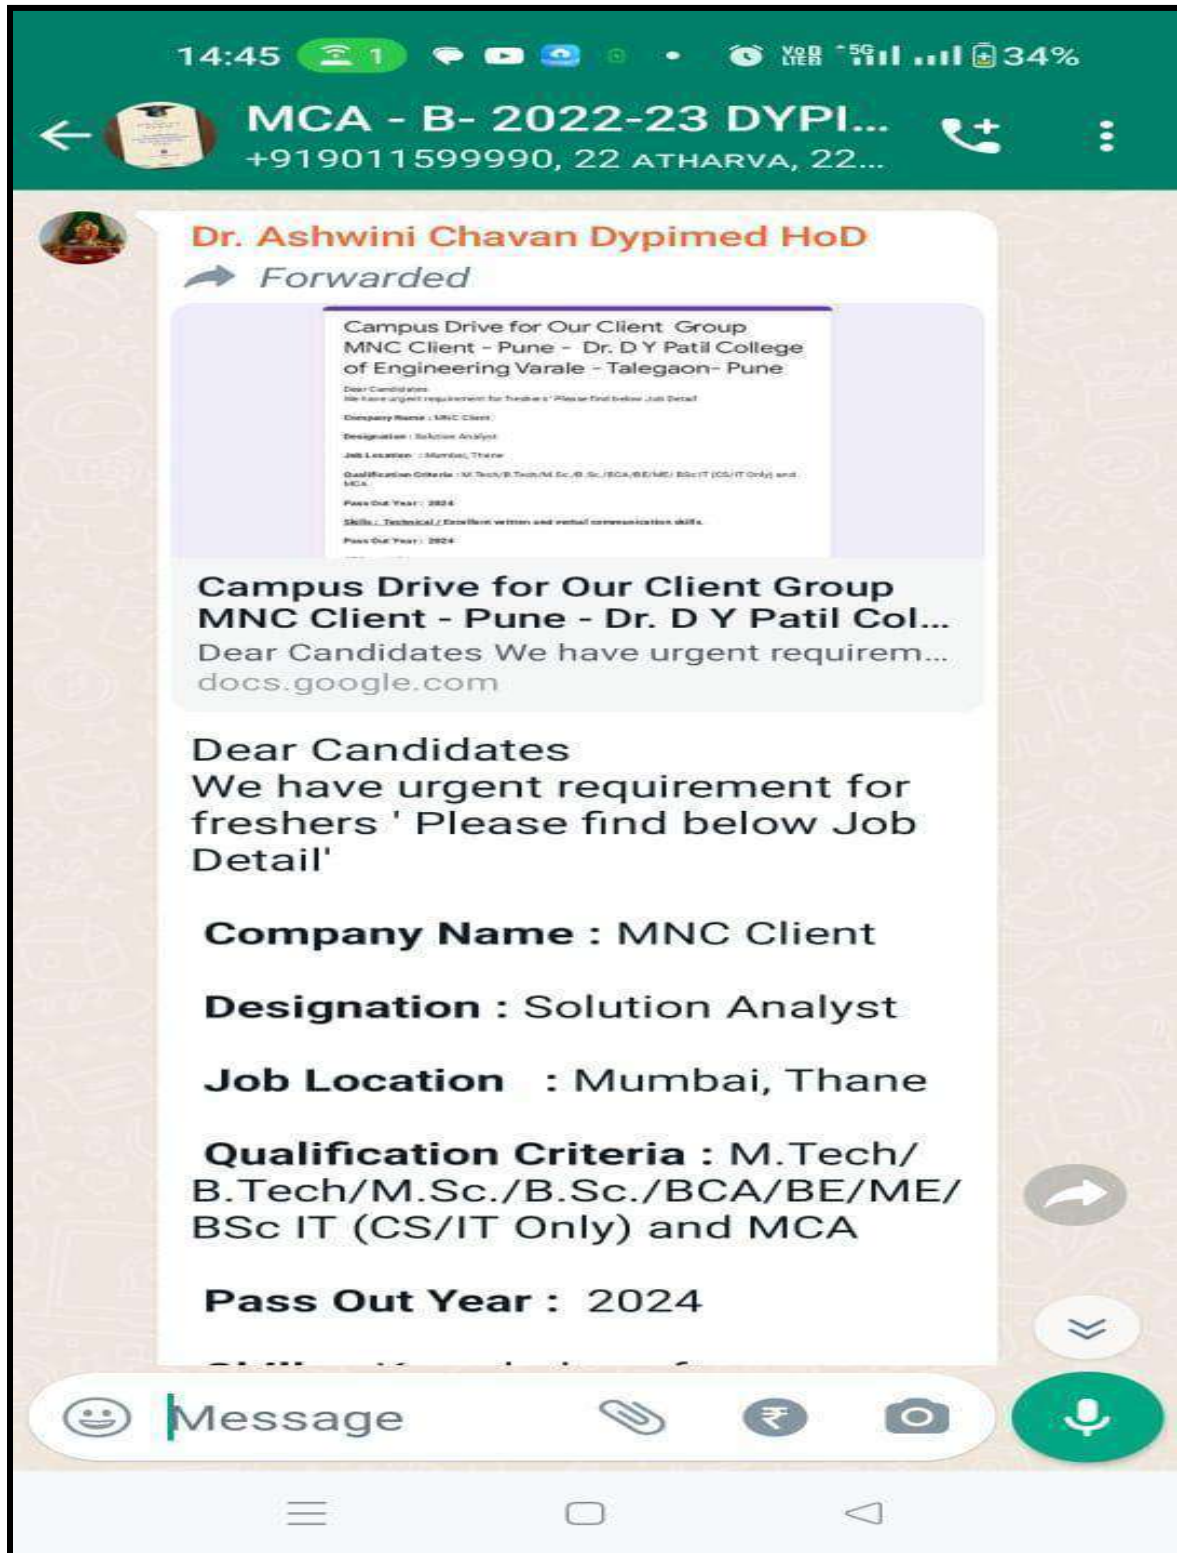

RO Drinking Water Facility at Canteen

RO water plant

Use of Digital resources for Communication:

To minimize the use of paper in the institute we use social media handles for communication like Facebook, Whatsapp, Instagram, Twitter etc. We have created a Whatsapp group of the Students, Faculties and Staff and we use that for our communication. Students submit practical assignments on Google group, For Taking MCQ Test We prefer Google form. Placement cell notices are sent on whatsapp groups.

Notice for Students from Admin office

Teachers Day Notice and Schedule for Faculties

Ban on Single Use Plastic: The Institute has banned single use plastic in campus premises creating awareness among the students, staff and faculties for the same. In the college canteen they are using the stainless-steel plates for serving the food reused again after cleaning. Sometimes they are using the paper cups for serving the Tea/Coffee during rush.

The image is a collage of several documents and notices from an educational institution. The central focus is a green notice titled "Say No TO Single use Plastic" with the text "**Plastic Free Campus**". To the left, there is a faculty list table. To the right, there is a course schedule table and a poster for a "Farewell" event on August 25th, 2022, featuring the name "Aishwarya".

Notice regarding the Ban on Single Use Plastic

Restricted entry to vehicles in the Institute: Institute has banned entry on vehicles to enter in the campus, only the people above HoD level are allowed to park their vehicle inside the campus and near to the gate in the parking area. No other vehicles are allowed to enter the campus. This initiative helps in reducing pollution in the campus and consumption of fuel.

Pedestrian-friendly pathways: Institute has Pedestrian-friendly pathways in the campus. We have installed Grass pavers in the campus for pedestrians. It helps the environment, reduces the temperature of the surface in hot summer as compared to concrete blocks. Grass Pavers are a great way to help the environment and Pedestrian.

Disabled-friendly, barrier free environment

DYPIMED is committed to provide an all-inclusive teaching and learning environment to students and employees. Aiming to this, the Institute built ramps in each building and lifts. The Institute arranges examinations in the ground floor for differently abled students. Institute also provides Personal Attention, Special seating arrangement and time extension (as per the norms of Savitribai Phule Pune University, Pune) for differently abled students during examination.
