To,

Subject: Performance Counselling

Sir/ Madam,

Result of the University of Pune Examination held in the month of Nov – Dec2012 reveals that the performance of our students in Semester _____ (MBA/MCA) _____ taught by you is just _____ which is far from satisfactory. Our college has unique distinction to produce excellent results and this result is certainly not acceptable by DYPIMED standards.

You are advised to find out likely reasons for the poor performance of the students and initiate steps to overcome the weakness observed . You need to exert more efforts. I expect marked improvement in the results in the forth coming University examination.

To,

Mr. Ravi Chourasiya
Asso. Professor,
MBA, DYPIMED.

Sub.: - Appreciation

Sir/Madam,

This letter serves as a token of appreciation. The institute would like to whole – heartedly thank the efforts you have made in teaching the concepts to the students in district-wide capacities. The subject result analysis of Savitribai Phule Pune university examination held in the month of Nov. - Dec. 2021 reveals that the performance of our students in semester I (MBA) for subject **Business Research Methodology** taught by you is **83 %**.

We appreciate your unseen work like preparing lessons for each subject, correcting papers and exams, computing and recording grades, planning effective curriculum delivery, attending staff and committee meetings, researching and learning to use materials for new initiatives and programs and doing required professional development work. All of these are in addition to their actual classroom teaching time.

We expect same kind of assistance for you.
