**TRAFFIC AWARENESS – HUMAN CHAIN EVENT TO MARK TRAFFIC AWARENESS DAY**

Date: - 12/08/2018

Event coordinator: - Prof. Ratikanta ray

Chief Guest: Dr. Sanjay Dharmadhikari {Campus Director}

With the aim to inculcate basic traffic etiquette in residents, the traffic control branch of Pune police organized a Traffic Awareness Day on October 6, 2022. As a part of the campaign, traffic police aimed to form a 100- kilometer-long human chain on the city roads as a symbolic gesture.

The day is mainly aimed at spreading awareness about road safety norms and basic rules like halting before the Zebra Crossing at traffic signals, following the traffic signals, avoiding unnecessary honking, use of helmets and seat belts and giving priority to ambulances on the streets.

Along with a 100-kilometre-long human chain, 10 lakh stickers, 50,000 flags and 1,000 banners were distributed by the students in various parts of the city. Students of our Institute actively participated in the event and explained basic rules to commuters regarding use of helmets and seat belts, halting before the Zebra Crossing at traffic signals, avoiding unnecessary honking etc. Special arrangements were made for the students to reach their assigned spots by the STES Management who provided School buses.
