Going green is the buzzword worldwide, fashionable too. But when it comes to translating idealism into action in real situation, most of us are clueless. Dr. Sanjay Dharmadhikari, Director Dr. D Y PIMED, Pune, realized the need to contribute for the environment and to bring her thought in practice, she took the initiative "Haryali" and this great social campaign was launched in 2019 in association with students, staff and local community to create awareness towards tree plantation.

This is a small effort and continuous process as a part of corporate social responsibility from Dr. D Y PATIL INSTITUTE OF MANAGEMENT & ENTREPRENEUR DEVELOPMENT.
