Organisation wide awareness and undertakings on policies with zero tolerance.

At our institute, we maintain a steadfast commitment to the principle of zero tolerance for any form of ragging. To ensure that this message is ingrained in the consciousness of every student, we have taken several proactive measures. The college campus and canteen proudly display posters and notices emphasizing the anti-ragging stance, serving as constant reminders to students. We make it a priority to educate our students about the consequences of ragging, highlighting the negative impact it can have on the well-being of individuals and the campus community as a whole. We also ensure that students are well-informed about the channels available for them to report any grievances related to ragging, providing both online and offline options for their convenience. As a further step towards prevention, we require every student to fill out an online undertaking affirming their commitment to a ragging-free environment. Through these concerted efforts, we aim to create a safe and welcoming learning environment where every student can thrive without fear.
