A Report On

Group Discussion

Date:16/09/2022, Time: 4:30pm onwards

Conducted By : Prof.Lavina Sharma

Objective of the event:

On 16th September,2022. An engaging group discussion activity was organized at Dr dy patil Educational Federation's Dr dy Patil Institute of management and entrepreneur development as part of the soft skills session. The primary aim of this activity was to foster critical thinking, communication skills, and teamwork among the students. The activity was conducted by Prof. Lavina Sharma and involved 12 students. The key objectives of the group discussion activity were as follows:

- To enhance students' ability to articulate their ideas and opinions effectively.
- To promote active listening and respectful communication among participants.
- To develop the skills necessary for constructive and collaborative discussions.

Activities during the session:

The group discussion activity was structured as follows:

Topic Selection: The instructor selected a thought-provoking topic.

Discussion Guidelines: Prior to the activity, the instructor provided guidelines and ground rules for effective group discussions. These included guidelines for active listening, respectful communication, and constructive feedback.

Discussion Sessions: During these sessions, participants had the opportunity to express their viewpoints, listen to their peers, and engage in constructive debates.

Moderation: In some cases, students took turns moderating the discussions to ensure that they remained on track and followed the established guidelines.

Feedback and Reflection: After each discussion session, participants received feedback from their peers and the instructor. They were encouraged to reflect on their performance and areas for improvement.

Outcomes of the event:

- **Enhanced Communication Skills:** Participants improved their ability to express themselves clearly, concisely, and confidently.
- **Active Listening:** Students developed active listening skills, as they had to carefully consider the viewpoints of their peers.
- **Conflict Resolution:** Some discussions involved differing opinions, allowing participants to practice constructive conflict resolution and negotiation.

Feedback from students:

The group discussion helped a lot to gain information and knowledge and learn a way how to express thoughts accurately. The group participated actively in the discussion, with everyone contributing their ideas and perspectives. The group members were able to manage their time effectively and complete the task on time.
