**Course Summary:**

The Personality Development Program is a transformative journey designed to enhance personal and professional effectiveness by refining key aspects of individuality. This course delves into self-awareness, communication skills, interpersonal dynamics, and professional etiquette. The program aims to empower Students with the skills needed to make a positive impact in various social and professional settings. By the end of the course, students will have gained insights into their unique strengths, refined their communication abilities, and developed a well-rounded and impactful personal and professional presence.

**Course Summary:**

The Communicative English course is designed to enhance students' proficiency and confidence in using English for effective communication. Focusing on both spoken and written communication, the course covers essential language skills, including grammar, vocabulary, listening, speaking, reading, and writing. Through interactive activities, discussions, and practical exercises, students will develop the ability to express themselves clearly, coherently, and appropriately in various social and professional contexts. The course emphasizes real-life communication scenarios, enabling students to navigate diverse situations with ease. By the end of the course, participants will have improved their language skills, expanded their vocabulary, and gained the confidence to communicate effectively in both academic and everyday settings.
