SPPU Academic Calendar and Academic Calendar of the Institute

An academic calendar is a schedule or calendar that outlines the important dates and events for an academic institution or university. It serves as a framework for planning and organizing the academic year, helping students, faculty, staff, and administrators stay informed about key dates and deadlines.

Following academic calendar inline with the SPPU academic calendar gives clear idea about upcoming schedule of DYPIMED for the academic year 2022-23 which includes Semester Commencement Dates, Class Meeting dates, Holiday lists, Examination dates etc.

SAMPLE COPY OF LESSON PLAN

A teaching plan is a structured outline or framework designed by educators to guide their teaching activities and ensure effective instruction. Whether you're a teacher in a classroom, a trainer in a corporate setting, or an instructor in any educational context, creating a well-thought-out teaching plan is crucial for achieving learning objectives and facilitating student or learner success.

Following is the sample systematic teaching plan we provide to MIS which is further used for marking of daily attendance and marking of conduction of lectures in the MIS system.
