PREAMBLE

At the Dr. D. Y. Patil Institute of Management and Entrepreneur Development in Pune, we are committed to giving best education and facilities to our students in order to improve their technical pro efficiency as well as capabilities and develop human capital that meets international standards. We intentionally place a strong emphasis on developing novel teaching and learning methods, fostering a culture of research, and improving the information infrastructure. Our goal is to surpass the level of satisfaction for every stakeholder. "Excellence is achieved through changed Attitude, Approach, and Action" is our quality statement. We accomplish this by periodically evaluating our quality efforts and procedures. The evaluation is predicated on input gathered from a range of stakeholders, including parents, instructors, students, and alumni. Feedback is gathered on a variety of topics, including the college's curriculum and infrastructure.

Subject: Submission of Feedback Analysis Report for MBA 2019 Revised Syllabus and MCA 2020 Syllabus

Respected Sir/Madam,

We are pleased to submit the comprehensive **Feedback Analysis Report** for the MBA 2019 Revised Syllabus and MCA 2020 Syllabus, as mandated by Savitribai Phule Pune University. This report encapsulates valuable insights gathered from key stakeholders, including Teachers, Employers, Alumni, Students, and Parents, each contributing 87 responses.

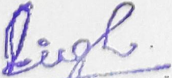

The analysis highlights stakeholders' satisfaction with the current curriculum and provides actionable suggestions to further enhance its relevance to industry demands and academic excellence. Specific recommendations include:

1. Incorporation of industry-relevant subjects such as Artificial Intelligence, Cloud Computing, and Data Science.
2. Focus on practical learning through capstone projects, internships, and certifications in emerging technologies.
3. Integration of modules on digital transformation, entrepreneurship, and advanced soft skills.

We believe these suggestions will significantly contribute to aligning the syllabus with current market trends and improving graduate employability. We request your kind consideration and guidance on implementing these recommendations for future syllabus revisions.

Thank you for the opportunity to contribute to this vital academic initiative.

Yours faithfully,

Dr. Priyanka Singh

Feedback Analysis Report

(2023-24)

The feedback process involved contributions from five key stakeholder groups: Teachers, Employers, Alumni, Students, and Parents. Each group provided 30 responses, focusing on various aspects of the syllabus and its alignment with academic, industrial, and professional needs. The feedback was categorized into five levels: **Highly Satisfied**, **Satisfied**, **Neutral**, **Dissatisfied**, and **Highly Dissatisfied**.

Key Observations:

1. Teachers:

- o A significant percentage (40%) rated the syllabus as **Highly Satisfied**, appreciating its conceptual depth and relevance.
- o Suggestions included the inclusion of more case studies and practical assignments.

2. Employers:

- o 27% of employers expressed **Highly Satisfied** feedback, citing that the syllabus aligns moderately with industry expectations.
- o Recommended changes included incorporating emerging technologies and soft skills training.

3. Alumni:

- o 33% were **Satisfied**, valuing the foundation provided by the syllabus in their careers.
- o They proposed more project-based learning to bridge academic and real-world applications.

4. Students:

- o 50% were **Highly Satisfied**, appreciating the balance between core and elective subjects.
- o Suggestions focused on improving elective options and reducing redundant topics.

5. Parents:

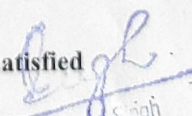

- o 30% rated the syllabus as **Satisfied**, emphasizing the need for practical exposure to complement theoretical knowledge.

Suggested Changes for Industry-Oriented Subjects and Current Market Technologies

Based on feedback from stakeholders (Teachers, Employers, Alumni, Students, and Parents) and current industry trends, the following changes are recommended for the syllabus of MBA 2019 and MCA 2020 programs:

For MBA Curriculum:

1. Industry-Oriented Electives:

- o Introduce electives focusing on **Data Analytics, Digital Marketing, Sustainability and Green Business Practices, and Blockchain in Business.**
- o Offer specializations like **Supply Chain Management in Digital Age and FinTech and Financial Engineering.**

2. Soft Skills Development:

- o Incorporate dedicated modules for **Leadership Development, Cross-Cultural Management, and Emotional Intelligence** to improve employability.

3. Practical Exposure:

- o Increase focus on **Case Study Analysis, Capstone Projects, and Industry Immersion Programs.**
- o Mandate live projects or internships in collaboration with startups and multinational companies.

4. Emerging Business Trends:

- o Include subjects on **Artificial Intelligence in Business, SaaS Models, and Sustainability and ESG (Environmental, Social, Governance).**

For MCA Curriculum:

1. Emerging Technologies:

- o Add dedicated courses on **Cloud Computing, Machine Learning, DevOps, and Edge Computing.**
- o Integrate modules on **Internet of Things (IoT), AI and Neural Networks, and Cybersecurity Essentials.**

2. Programming Skills:
