Activities:

i) Yoga Session: The event began with a yoga session led by a certified yoga instructor. The instructor guided the participants through various asanas (postures), pranayama (breathing exercises), and meditation techniques. The session aimed to promote physical flexibility, mental relaxation, and inner peace.

ii) Awareness Talk: Following the yoga session, an expert speaker delivered a talk on the significance of yoga in modern life. The talk emphasized the importance of yoga in reducing stress, improving concentration, and maintaining a healthy lifestyle. The speaker also discussed the historical and cultural roots of yoga.

iii) Demonstration: To provide a practical understanding of different yoga asanas, a demonstration was conducted by the yoga instructor. The demonstration showcased various postures, including Surya Namaskar (Sun Salutation), Padmasana (Lotus Pose), and Shavasana (Corpse Pose).

Key Outcomes:

a) Increased Awareness: The event successfully raised awareness about the importance of yoga and its positive impact on overall well-being. Participants gained insights into the techniques and benefits of yoga and expressed a keen interest in incorporating it into their lives.

b) Skill Enhancement: Through the yoga session and demonstration, participants acquired practical knowledge and experience in performing various yoga asanas. They learned correct postures, breathing techniques, and relaxation methods that can be used for stress management and personal growth.

c) Collaboration: The panel discussion provided an opportunity for participants to connect with experts in the field of yoga and holistic wellness. It facilitated the exchange of ideas, networking, and potential collaboration for future endeavors related to yoga and well-being.

Conclusion:

The celebration of International Yoga Day 2023 at the Seminar Hall of Dr. D. Y. Patil Institute of Management and Entrepreneur Development, Varale Campus, Talegaon, Pune, was a resounding success. The event effectively promoted the benefits of yoga, encouraged participants to adopt a regular practice, and fostered a sense of well-being among the attendees. It served as a platform for knowledge sharing, networking, and collaboration in the field of yoga and holistic wellness.

We express our gratitude to all the participants, the organizing committee, and the esteemed speakers for making the event a memorable and impactful one. The celebration of International Yoga Day has not only enriched the lives of the participants but also contributed to the holistic development of Dr. D. Y. Patil Institute of Management and Entrepreneur Development community.

Futurtech Explorer - IT Career Counselling

Date: February 24, 2024

Venue: MCA Computer Lab

Participants: 61 Students

Resource Person: Mr. Ajinkya Ban (Sr. Software Developer- Inuxu Digital Media Pvt Ltd)

Introduction:

On February 24, 2024, our institute hosted a seminar titled "Futurtech Explorer - IT Career Counselling" with the aim of providing valuable insights and guidance to students aspiring to build a successful career in the field of Information Technology. The event was well-attended with enthusiastic participation from 61 students.

Seminar Highlights:

The seminar commenced with a warm welcome to Mr. Ajinkya Ban, an accomplished Sr. Software Developer from Inuxu Digital Media Pvt Ltd., who graciously accepted the invitation to be the resource person for the day. Mr. Ban brought a wealth of industry experience and knowledge, making the session highly anticipated.

Key Points Covered:

Career Landscape in IT: Mr. Ban provided an overview of the current trends and dynamics in the Information Technology industry, shedding light on emerging technologies and their impact on career opportunities.

Skill Sets in Demand: The resource person highlighted the essential skills and competencies that are in high demand among IT professionals. He discussed the significance of staying updated with the latest technologies to remain competitive in the fast-evolving IT landscape.

Career Paths: The seminar delved into various career paths available in IT, ranging from software development and data science to cybersecurity and IT consulting. Mr. Ban shared valuable insights into the diverse opportunities within the industry.

Industry Expectations: Students gained valuable insights into the expectations of the industry, including the importance of soft skills, adaptability, and continuous learning. Mr. Ban emphasized the need for a holistic approach to career development.

Q&A Session: The seminar included an interactive Q&A session, allowing students to seek personalized advice and clarification on specific queries related to their career aspirations.

Conclusion:

The "Futurtech Explorer - IT Career Counselling" seminar proved to be an enlightening and enriching experience for the participants. The engaging presentation by Mr. Ajinkya Ban provided students with a roadmap for navigating the complexities of the IT industry and making informed decisions about their career paths.

We extend our heartfelt gratitude to Mr. Ban for his valuable contributions, and we hope that the insights gained during this seminar will inspire our students as they embark on their IT careers.

Individual Career Counseling Session

Introduction:

On February 12, 2024, Dr. DYPIMED organized an individual career counseling session for students. The event aimed to provide valuable insights and guidance to help students make informed decisions about their career paths. The event was well-attended with enthusiastic participation from 85 students.

Session Highlights:

The event commenced with a warm welcome to Prof. Bharti Jagdale from SIBACA Lonavala & Prof. Sonali Bhujbal from IBMR, Chakan, who graciously accepted the invitation to be the resource person for the day. Prof. Jagdale, an esteemed professional in the field, brought a wealth of experience and knowledge to share with the aspiring students.

The counseling session covered various aspects, including:

Industry Trends and Opportunities:

Prof. Jagdale & Prof. Sonali Bhujbal provided a comprehensive overview of the current trends in the industries related to MBB and MCA. She highlighted emerging technologies, market demands, and potential career opportunities available for students.

Skill Development:

Emphasis was placed on the importance of acquiring and honing relevant skills. Prof. Jagdale discussed the essential skills sought by employers in the MBB and MCA sectors and provided guidance on how students could enhance their skill sets.

Career Paths and Specializations:

The resource person shared valuable insights into different career paths within the fields of MBA and MCA. Specializations, certifications, and advanced studies were discussed to help students align their academic pursuits with their career goals.

Networking and Professional Development:

Prof. Jagdale stressed the significance of networking and building professional relationships. She shared tips on effective networking strategies, attending industry events, and leveraging online platforms for career advancement.

Audience Engagement:

The interactive nature of the session encouraged students to actively participate by asking questions and seeking personalized advice. Prof. Jagdale's engaging presentation style and real-world examples resonated well with the audience, fostering a positive and enriching atmosphere.

Feedback and Next Steps:

Post-event feedback from the attendees indicated a high level of satisfaction with the information shared and the guidance provided. Students expressed a clearer understanding of their career paths and appreciated the practical insights shared by Prof. Jagdale.

As a follow-up, Dr. DYPIMED plans to organize additional career development workshops and events to continue supporting students in their journey towards professional success.

Conclusion:

The Individual Career Counseling event for students on February 12, 2024, was a resounding success. Prof. Bharti Jagdale's & Prof. Sonali Bhujbal's expertise and the active participation of students made the session informative and beneficial, contributing to the overall academic and career development of the attendees. The institute remains committed to organizing such events to empower students on their career journeys.

Notice

We are pleased to announce a highly informative and interactive session on the "Interview Cracking Techniques" specifically designed for all MBA students (I & II Year). This session aims to equip you with the essential skills and strategies required to excel in job interviews and secure your dream career. We encourage all MBA students to attend this session and make the most of this valuable opportunity.

Details of the session are as follows:

Name of the Speaker: Mr. Sarvesh Dhummal (HR Trainer)

Timing: 8:00 AM to 11:00 AM

Date: 17th June, 2023

Venue: Seminar Hall.

Note: Please be reminded to carry a copy of your updated resume to the session. Attendance is mandatory for all regular students.

Report on Interview Cracking Skills

Details of the session are as follows:

Name of the Speaker: Mr. Sarvesh Dhummal (HR Trainer)

Timing: 8:00 AM to 10:00 AM

Date: 17th June, 2023

Venue: Seminar Hall

An informative and interactive session on "Interview Cracking Skills" was conducted on 17th June, 2023 at Dr. DYPIMED. The purpose of this session was to equip students with essential skills and knowledge required to excel in job interviews and secure desirable positions in their careers.

Objective:

The primary objective of the seminar was to help participants enhance their interview skills and increase their chances of securing desired job opportunities. By the end of the session, attendees were expected to have a better understanding of the following:

- Preparing for interviews effectively.
- Demonstrating confidence and professionalism during interviews.
- Answering common and challenging interview questions.
- Showcasing relevant skills and experiences.
- Handling behavioral and situational questions.
- Negotiating job offers.

Priyanka A. Singh
Dr. D. Y. Patil Institute of Management &
Entrepreneur Development, Varale, Talegaon,
Pune-410507

Key Takeaways:

The seminar provided participants with several key takeaways, including:

- a) Understanding the importance of thorough interview preparation.
- b) Learning effective strategies for answering different types of interview questions.
- c) Gaining insights into showcasing skills and experiences relevant to the job.
- d) Developing confidence and professionalism in interview settings.
- e) Acquiring negotiation skills for job offers.
- f) Enhancing communication and body language for better interview performance.

Feedback and Suggestions:

Participants expressed their appreciation for the valuable insights and practical tips provided during the session. They found the mock interviews particularly helpful in boosting their confidence and improving their interview skills. Some students suggested organizing follow-up sessions focusing on specific industries or roles.

Conclusion:

The "Interview Cracking Skills" session proved to be highly beneficial for the participants, arming them with essential skills and knowledge to excel in job interviews. The organizing team remains committed to organizing more such informative sessions to enhance the employability of the students.

Introduction:

On 24th February 2024, our institute had the privilege of hosting a seminar on "Quantitative Aptitude and Data Interpretation for Competitive Success," featuring Mr. Allen Moses Louis as the esteemed resource person. Mr. Allen Moses Louis, an accomplished alumnus, shared his expertise to benefit our students in their preparation for competitive exams.

Key Takeaways:

In-depth Strategies: Mr. Allen Moses Louis provided comprehensive strategies to tackle quantitative aptitude and data interpretation challenges commonly encountered in competitive examinations.

Practical Insights: The seminar included practical examples and real-world applications, enhancing students' understanding and applicability of the discussed concepts.

Interactive Session: A dynamic Q&A session allowed students to engage directly with Mr. Allen Moses Louis, seeking clarification on specific topics and gaining personalized advice.

Session
on
Understanding the Exam Pattern and Marking Scheme of MPSC

Introduction

A session on "Understanding the Exam Pattern and Marking Scheme of UPSC/MPSC" was organized for students on 4th March 2024 at 10:00 AM. The objective of the session was to provide aspirants with insights into the structure of the examinations and the nuances of their marking schemes, empowering them to prepare more effectively.

The session was conducted by **Prof. Sanket Dhavle, ATEs Technical Campus, Akole, Ahmednagar.**

Session Highlights:

Overview of UPSC and MPSC Exams:

Prof. Dhavle began the session by outlining the importance of these exams and their role in shaping careers in civil services. He emphasized the similarities and differences between UPSC and MPSC.

Exam Pattern Details:

- **UPSC:** Explanation of Prelims, Mains, and Interview stages with focus on their structure, marks distribution, and qualifying nature of the prelims.
- **MPSC:** Insight into the preliminary exam, mains, and interview, along with the weightage of each section.

Marking Scheme and Key Strategies:

- Discussed the marking system for objective and subjective sections.
- Explained negative marking for prelims and tips to avoid common pitfalls.
- Importance of time management, structured answer writing, and presenting coherent arguments in mains.

Director

Resource Utilization:

Prof. Dhavle shared a list of essential books, online resources, and mock test platforms. He emphasized the significance of newspapers like The Hindu and Indian Express, along with government publications such as Yojana and PIB.

Interactive Q&A Session:

The session concluded with an interactive Q&A segment where students clarified their doubts about exam preparation, choosing optional subjects, and tackling current affairs.

Outcomes of the Session

- Students gained clarity about the structure and expectations of both UPSC and MPSC exams.
- Participants were equipped with actionable strategies for preparing for prelims, mains, and interviews.
- The session motivated aspirants to approach their preparation systematically and with confidence.

Feedback

The session received highly positive feedback from the participants. Students appreciated Prof. Dhavle's detailed explanations and practical advice. They expressed interest in more such sessions in the future.

30 Hours Free Training Program on Mobile App Development with Flutter for Android & iOS

From Industry Experts

Click Here To Register >

Date : 25th October 2023 (onwards for 15 days)
Time : 7:00 to 9:00 PM (2 Hrs per Day) (Mon-Fri)

Students and Faculties are requested to register for this
EVERYDAY LEARNING PROGRAM and get
Participation Certificate From **ExcelR** For **FREE**

TOPICS TO BE COVERED

Flutter

Android

iOS

.....And much more

WHAT WILL YOU GET?

Lifetime access to LMS
Assignments and e-Resources
Digital Certificate of Participation

WHO CAN ATTEND?

Extremely useful for students from
all Streams, faculties, Ph. D Scholars,
Researchers and Academicians

Scan the QR code to register or

Online Certification Course in Association With ExcelR

Course Title	Mobile App Development with flutter for android & ios
Course Code	C23-101
Date	25/10/2023 04/11/2023 26/10/2023 06/11/2023 27/10/2023 07/11/2023 30/10/2023 08/11/2023 31/10/2023 09/11/2023 01/11/2023 10/11/2023 02/11/2023 11/11/2023 03/11/2023
Course outcomes	In-Depth Understanding of Flutter Framework Gain a comprehensive knowledge of Flutter's architecture, widgets, and tools to build seamless, high-performance mobile applications. App Design and Development Skills Learn to design responsive user interfaces, implement complex layouts, and create visually appealing and user-friendly mobile apps. Hands-on Project Experience Build a fully functional mobile application from scratch, consolidating all skills learned during the course and preparing participants for real-world app development.

Modules:

Sr. No.	Course Components	Hours
1	Overview of Flutter and its advantages.	2
2	Setting up the development environment (Flutter SDK, Android Studio/VS Code).	2
3	Understanding Flutter's architecture (widgets, framework).	2
4	Introduction to Dart programming language.	2
5	Variables and data types in Dart.	2
6	Basic operators and expressions.	2
7	Conditional statements.	2
8	Loops (for, while, do-while).	2
9	Functions and their types.	2
10	Exploring Dart packages and libraries.	2
11	Installing and configuring Flutter tools.	2
12	Creating your first Flutter project.	2
13	Overview of Flutter application structure.	2
14	Testing the first Flutter app on Android and iOS emulators.	2
15	Q&A session and recap.	2

Course Summary:

This certification course is a great opportunity for beginners, students, and tech enthusiasts to learn and explore mobile app development. It helps participants turn their ideas into real mobile applications that can reach millions of smartphone users.

The course teaches how to use modern tools like Flutter, create apps for both Android and iOS, and design user-friendly interfaces. Participants will also learn to connect apps to online data, use device features like cameras or location, and solve real-world problems through app development.

It's a perfect start for anyone looking to step into the exciting world of mobile app development.

Course Summary:

The Full Stack Development course is designed to help students learn both front-end and back-end web development. Over 15 sessions, students will get hands-on experience with creating web applications. They will start with basics like HTML, CSS, and JavaScript to build the look and feel of websites. Then, they will dive into React.js to create interactive user interfaces.

On the back-end, students will learn Node.js and Express.js to handle data and server-side logic. They will also work with databases like MongoDB and SQL to store and manage data. The course covers how to connect the front-end with the back-end and secure applications with user authentication.

By the end, students will be able to build, deploy, and manage full-stack applications using modern tools and technologies, and they will be ready to apply these skills in real-world development projects

Course Summary:

This Git & GitHub course teaches students essential skills for managing code and collaborating on software projects. It covers everything from basic Git commands to more advanced topics like creating branches, merging changes, and handling pull requests. Students will also learn how to work with GitHub, contribute to open-source projects, and follow best practices for version control.

By the end of the course, students will have a clear understanding of how to use Git and GitHub to manage their code, work with others on projects, and keep their project histories organized. This course is perfect for anyone who wants to improve their software development skills and work well in a team-based, version-controlled environment.

Certification Course on AI skill Challenge (Microsoft)

(AY - 2023-24)

Dr. *High*
Director

Dr. D. Y. Patil Institute of Management &
Entrepreneur Development, Varale, Talegaon
Pune-410507 (T)

AI Skill Challenge

Date : 1st October 2023
(onwards 3 months)

Time : 4pm to 7pm
(3 hrs per sunday)

Level up your AI skills with this Microsoft-endorsed program.

Certification Course

Course Title	AI skill Challenge (Microsoft)
Course Code	C23-105
Date	01/10/2023 19/11/2023 08/10/2023 26/11/2023 15/10/2023 03/12/2023 22/10/2023 10/12/2023 29/10/2023 17/12/2023 05/11/2023 07/01/2023 12/11/2023 14/01/2024
Training outcomes	<p>The AI Skill Challenge, hosted by Microsoft, aimed to provide an intensive learning experience focused on Artificial Intelligence (AI) fundamentals. Participants, predominantly girls, gained hands-on experience in AI concepts such as machine learning, data science, AI ethics, and coding practices. By the end of the course, participants were able to:</p> <ul style="list-style-type: none">• Understand the core principles of AI and its real-world applications.• Develop machine learning models and deploy them using tools such as Python and Azure.• Analyze datasets and interpret the results to inform decision-making.• Implement ethical AI practices in model building and data handling.• Gain confidence in using AI tools to create solutions for everyday challenges.

Summary

The AI Skill Challenge by Microsoft was an enriching program that empowered young girls with the knowledge and skills to understand and work with AI technologies. Through weekly 3-hour sessions, participants gained deep insights into the theoretical and practical aspects of AI, from basic machine learning to advanced deep learning and NLP techniques. The course also emphasized ethical considerations in AI development, ensuring that participants were equipped to handle real-world challenges responsibly.

By the end of the course, participants were well-prepared for the final test, which assessed their overall understanding and ability to apply AI techniques. The course fostered collaboration, innovation, and problem-solving skills, setting the stage for future success in the AI field.

On February 16, 2024, participants took the final test, which evaluated their knowledge of AI principles, coding skills, and the ability to develop AI-driven solutions. Successful participants received a certificate of completion, further enhancing their credentials in the AI domain.

Glimpses of the Activities

Course Summary:

The Value-Added Course on "Data Analytics for Business" provided MCA and MBA students with practical knowledge and skills to leverage data for effective decision-making in the business environment. Over eight interactive sessions, students explored essential concepts of data analytics, including data preparation, exploratory data analysis, and predictive modeling.

Hands-on training with tools like Excel, Tableau, and Power BI equipped participants with the ability to analyze, visualize, and interpret data effectively. Real-world case studies and a capstone project allowed students to apply their learning to solve business problems.

By the end of the program, participants were well-prepared to apply data-driven strategies to enhance business performance, making this course a valuable addition to their academic and professional development.

Glimpses of the Workshop

Course Summary

The Value-Added Course on "Leadership and Emotional Intelligence (EI)" is designed to equip MBA students with essential leadership competencies, with a focus on Emotional Intelligence.

Through interactive sessions and practical exercises, students explore the components of EI—self-awareness, self-regulation, motivation, empathy, and social skills—and learn to apply these in professional settings. The course emphasizes reflective learning, collaborative activities, and case studies to prepare students for real-world challenges, enhancing their ability to lead effectively in dynamic environments.

Course Summary:

The Full Stack Development course is designed to help students learn both front-end and back-end web development. Over 15 sessions, students will get hands-on experience with creating web applications. They will start with basics like HTML, CSS, and JavaScript to build the look and feel of websites. Then, they will dive into React.js to create interactive user interfaces.

On the back-end, students will learn Node.js and Express.js to handle data and server-side logic. They will also work with databases like MongoDB and SQL to store and manage data. The course covers how to connect the front-end with the back-end and secure applications with user authentication.

By the end, students will be able to build, deploy, and manage full-stack applications using modern tools and technologies, and they will be ready to apply these skills in real-world development projects

1	Introduction to Version Control and Git Installing and setting up Git on local machine	2
2	Git Basics Understanding Git repository (local vs. remote) Basic Git commands: git init, git status, git add, git commit	2
3	Git Working Directory & Staging Area Understanding the Git working directory, staging area, and commit history	2
4	Git Branching Basics Introduction to Git branching Creating and switching branches Viewing and managing branches using git branch	2
5	Git Merging & Conflicts Merging branches in Git Resolving merge conflicts Practical examples of merging and conflict resolution	2
6	GitHub Basics & Setup Creating a GitHub account and setting up repositories	2
7	Pushing Code to GitHub Initializing a local repository and pushing to GitHub Cloning existing repositories from GitHub	2
8	Pulling and Fetching Changes from GitHub etching updates from remote repositories Pulling changes to local repository using git pull	2
9	Forking and Contributing to Open Source Projects Creating pull requests to propose changes	2

Dear Sir/Madam

Greetings from ExcelR!

We are super excited to announce our **EDL (Everyday Learning) - SDP (Student Development Program) on Git and GitHub for 2 hours**. We request you circulate this message to the students and faculties in your college to attend this program and gain the knowledge and participation certificate from ExcelR for Free.

Git and GitHub

Program Start Date: Jan 24th, 2024

Participants (39)

- MCA 21203 Pooja Desai
- MCA 21205 Vikas Pawar
- MCA 21246 Kunal Kishor Shinde
- MCA 21146 Sayali Jadhav
- Manali Dogra
- Pratik Abhikale 21110
- Pooja Mane
- Saket Nikun 21229
- Shalaja Maryankar
- 21214Haridhe murade
- MCA 21249 Satish Singh
- AJAY MUTHAL 21218
- MCA 21141 Harshada Kothkar

Course Summary:

This Git & GitHub course teaches students essential skills for managing code and collaborating on software projects. It covers everything from basic Git commands to more advanced topics like creating branches, merging changes, and handling pull requests. Students will also learn how to work with GitHub, contribute to open-source projects, and follow best practices for version control.

By the end of the course, students will have a clear understanding of how to use Git and GitHub to manage their code, work with others on projects, and keep their project histories organized. This course is perfect for anyone who wants to improve their software development skills and work well in a team-based, version-controlled environment.

Certification Course

Course Title	AI skill Challenge (Microsoft)
Course Code	C23-105
Date	01/10/2023 19/11/2023 08/10/2023 26/11/2023 15/10/2023 03/12/2023 22/10/2023 10/12/2023 29/10/2023 17/12/2023 05/11/2023 07/01/2023 12/11/2023 14/01/2024
Training outcomes	<p>The AI Skill Challenge, hosted by Microsoft, aimed to provide an intensive learning experience focused on Artificial Intelligence (AI) fundamentals. Participants, predominantly girls, gained hands-on experience in AI concepts such as machine learning, data science, AI ethics, and coding practices. By the end of the course, participants were able to:</p> <ul style="list-style-type: none">• Understand the core principles of AI and its real-world applications.• Develop machine learning models and deploy them using tools such as Python and Azure.• Analyze datasets and interpret the results to inform decision-making.• Implement ethical AI practices in model building and data handling.• Gain confidence in using AI tools to create solutions for everyday challenges.

Summary

The AI Skill Challenge by Microsoft was an enriching program that empowered young girls with the knowledge and skills to understand and work with AI technologies. Through weekly 3-hour sessions, participants gained deep insights into the theoretical and practical aspects of AI, from basic machine learning to advanced deep learning and NLP techniques. The course also emphasized ethical considerations in AI development, ensuring that participants were equipped to handle real-world challenges responsibly.

By the end of the course, participants were well-prepared for the final test, which assessed their overall understanding and ability to apply AI techniques. The course fostered collaboration, innovation, and problem-solving skills, setting the stage for future success in the AI field.

On February 16, 2024, participants took the final test, which evaluated their knowledge of AI principles, coding skills, and the ability to develop AI-driven solutions. Successful participants received a certificate of completion, further enhancing their credentials in the AI domain.

Glimpses of the Activities

Course Summary:

The Value-Added Course on "Data Analytics for Business" provided MCA and MBA students with practical knowledge and skills to leverage data for effective decision-making in the business environment. Over eight interactive sessions, students explored essential concepts of data analytics, including data preparation, exploratory data analysis, and predictive modeling.

Hands-on training with tools like Excel, Tableau, and Power BI equipped participants with the ability to analyze, visualize, and interpret data effectively. Real-world case studies and a capstone project allowed students to apply their learning to solve business problems.

By the end of the program, participants were well-prepared to apply data-driven strategies to enhance business performance, making this course a valuable addition to their academic and professional development.

Glimpses of the Workshop

Course Summary

The Value-Added Course on "Leadership and Emotional Intelligence (EI)" is designed to equip MBA students with essential leadership competencies, with a focus on Emotional Intelligence.

Through interactive sessions and practical exercises, students explore the components of EI—self-awareness, self-regulation, motivation, empathy, and social skills—and learn to apply these in professional settings. The course emphasizes reflective learning, collaborative activities, and case studies to prepare students for real-world challenges, enhancing their ability to lead effectively in dynamic environments.
