About our Institute

Dr. D. Y. Patil Institute of Management and Entrepreneur Development (DYPIMED) is part of the Dr. Sushant Patil Group, a dynamic educational ecosystem comprising multiple institutions dedicated to nurturing academic excellence, innovation, and entrepreneurial leadership. The group includes reputed institutes such as Toolbox Pvt. Ltd, Seamedu, Dr. D.Y. Patil Technical Campus, and Dr. D.Y. Patil college of Engineering and Innovation, collectively contributing to a vibrant learning environment.

Dr. D. Y. Patil Institute of Management and Entrepreneur Development (DYPIMED) functions under the esteemed Dr. D. Y. Patil Educational Federation, established in 2014 by Dr. Sushant Patil.

DYPIMED offers professional programs like MBA and MCA, designed to equip students with industry-relevant knowledge, managerial competence, and technological expertise. This year institute is NAA and NBA accredited and going for academic autonomy from 2026 onwards.

About the Conference

"From Curiosity to Innovation: Building a Self-Reliant India."

We are pleased to announce the National Conference on "Empowering Students for a Self-Reliant India", in Association with Savitribai Phule Pune University (SPPU) through its Planning and Development Department, under the prestigious Quality Improvement Program (QIP) Scheme. This conference brings together academicians, researchers, policymakers, and industry leaders to explore effective strategies for equipping students with essential skills, an innovative mindset, and strong leadership qualities required to contribute meaningfully to Nation-Building and the vision of a Self-Reliant India. Under the theme "From Classroom to Nation-Building @2047", the conference focuses on empowering students to become self-reliant, socially responsible, and future-ready, in alignment with the vision of a prosperous and innovative India. Through keynote addresses, panel discussions, and paper presentations, the conference fosters collaboration between Academia, Industry, and Government to shape students into architects of a Self-Reliant and Inclusive Nation.

THE CONFERENCE WELCOMES PARTICIPATION FROM:

- o **Academics**
- o **Practitioners**
- o **Ph.D. Aspirants**
- o **Industry Experts**
- o **Research Scholars registered for Ph.D./M.Phil.**
- o **Business Leaders**
- o **Students**

Participants are encouraged to contribute new ideas and insights through research papers, conceptual articles, and case studies.

Call for Paper

DYPIMED warmly invites authors to submit their original research papers with the aim of exchanging and disseminating the latest research findings and innovations through publication. Authors are cordially encouraged to submit original and unpublished work related to any of the following themes or sub-themes. The listed themes and sub-themes are indicative in nature; researchers may also submit papers relevant to the overall theme of the conference.

Objectives

- To provide a platform for students, academics, and researchers to share innovative ideas, research findings, and best practices that contribute to building a self-reliant India.
- To encourage research, innovation, and skill development among students to enhance their ability to address real-world challenges and support national development.
- To promote collaboration between academia, industry, and policymakers for developing sustainable solutions that empower students and strengthen the vision of Atmanirbhar Bharat.
